

TVL INTERNET PRICES

SLASHED...

Your savings start today!

TVL have made savings on the satellite costs connecting Vanuatu data traffic to the rest of the world and we're passing these savings on to you.

We've reduced the cost of all our internet packages, starting from September '08.

No need to sign up, no hassle, we've made the changes for you already.

OUR INTERNET PLANS...

Plans	Monthly Cost	Download Speeds	Monthly Usage
Home	5,950vt - was 16,800vt	up to 128kb	Unlimited
Home Plus NEW	15,950vt	up to 256kb	Unlimited
Pro	35,000vt - was 44,000vt	up to 512kb	Unlimited
Sky	67,200vt - was 84,000vt	up to 1mbps	Unlimited

NOTE: TVL Acceptable Use Policy applies to all plans. Speeds based on maximum available. For information see the Acceptable Use Policy on www.tvl.vu

- Same low plans for ADSL or WIMAX (wireless internet service)

Things you should know

Reduction applies on packages shown above from September billing. ADSL night & weekend package is no longer being sold – come and see us for a more cost effective service or stay on the plan if you wish. Connection fees apply for new users.

For further information come to see us or call free on 081111.

Thank you for your business,

The TVL Team
